

Club 52 Scholarship Program

Need help paying for camp?

The Club 52 scholarship program is available. Students are required to find an elderly person and/or widow/widower (NOT RELATED TO YOU) and offer your assistance doing chores. Such chores could include yard work (mowing grass, weed-eating, weeding a flowerbed, etc.), cleaning inside (washing dishes, vacuuming, dusting, etc.), washing & detailing cars, etc. The church members of First Baptist of Dover have contributed to a scholarship program called Club 52. All monies earned will be paid from this account. You will earn \$8.00 an hour for a total of 25 hours maximum(\$200.00). All work day hours must be submitted to Bro. Billy no later than May 24, 2010.
